EDUCATION

University of Maryland | College Park, MD **May 2028**
B.S. in Computer Science
- **Relevant Coursework:** Object-Oriented Programming I & II, Calculus I & II, Linear Algebra
- **Honors:** Gemstone Honors Program

TECHNICAL SKILLS

Languages: TypeScript, Python, Java, C, SQL, HTML/CSS
Frameworks & Tools: React Native, Expo, Node.js, Hono, Prisma, PostgreSQL, Inngest, Git, REST APIs, OAuth, ffmpeg, Linux/cron

PROJECTS

SleepPool: Full-Stack Habit-Betting App | TypeScript, React Native, Hono, Prisma, PostgreSQL **2026**
Personal Project
- Architected a **3-package TypeScript monorepo** with shared pure-logic core (settlement math, state machine, anti-cheat heuristics) integrated across Hono API and React Native client, covered by **55 unit tests**.
- Engineered deterministic settlement engine over append-only ledger with **provable money-conservation invariant**, ensuring correct stake distribution among winners.
- Implemented durable scheduled jobs (Inngest) and HealthKit pipeline merging overlapping multi-source sleep samples into per-night totals for real-time verification.

Automated YouTube Content Pipeline | Python, Linux/Cron, ffmpeg, REST APIs, OAuth **2026**
Personal Project
- Built end-to-end production pipeline for **100+ long-form videos and 1,600+ short-form clips** with zero manual intervention over **100+ consecutive days**, automated via cron on Oracle Cloud.
- Orchestrated script generation (Anthropic API), text-to-speech, ffmpeg assembly, and OAuth YouTube uploads with cross-posting to TikTok and Instagram.
- Developed data-driven feedback loop using weekly analytics to optimize content selection, with Telegram alerting to flag failed runs automatically.

EXPERIENCE

Renewal by Andersen | Bedford, PA **Jun 2026 - Aug 2026**
Sales & Marketing Representative
- Ranked **#1 of 25+ representatives**, generating over **$132,000** in signed sales in July through high-volume direct outreach and customer engagement.

UMD Department of Resident Life | College Park, MD **Aug 2025 - Present**
Community Assistant
- Manage **100+ resident requests weekly** using digital tracking systems while maintaining full-time Computer Science course load and **17-25+ weekly work hours**.

LEADERSHIP

Maryland Sports Analytics | College Park, MD **Sep 2025 - Present**
Secretary
- Drive **30+ member organization** by designing data-driven workshop concepts and managing attendance and agendas.

Undergraduate Quantum Association | College Park, MD **Sep 2025 - Present**
Member
- Participate in student-led discussions, guest lectures, and workshops on quantum computing and quantum information science.
